Dear Kian Meng,

We refer to the subject matter.

We had already spoken to the Insured Driver before and was informed of the TP claim and NCD issues.

Please be informed that TP repairer rejected our offer of a 50/50 settlement and insisted 100% liability against our Insured (please refer to the attached email).

We had checked and confirmed with Insured Repairer that they did not proceed to repair the Insured's vehicle as it was taken back out by the Insured. They have no further information after.

In view of the above, please advise if we can proceed to settle the claim at best.

Thank you.

Best Regards,
