CONTINUATION OF REPORT**Brief Details.**

On the 1st January 2019 at about 2.01pm, I was driving along Boon Tat Street towards Robinson Road. As the traffic light was green and there was not much traffic, my taxi was driving straight.

Suddenly a vehicle was driving along Cecil Street and came out from my right side.

I tried to brake my vehicle however both our vehicles could not brake in time thus the opposite vehicle front portion collided onto my taxi front portion.

My taxi then swerved and stopped after the collision.

After the accident, I was still semi-conscious and I could only remember there I was conveyed to hospital.

I have a video recording device installed inside my vehicle aiming at the front direction.

I would wish to state that my vehicle was driving straight as the traffic light was green.
