Dear Norsiah,

We refer to the subject matter.

Our Insured reported that he was travelling across the junction with green light on his favour and TP was making a right on the opposite lane when the collision occurred. Kindly refer to the video footage uploaded in merimen and to the below screenshot.

We are of the view that our Insured is not liable of the accident since traffic light was on his favour.

As such, we intend to deny TP claim.

For your approval and/or further instructions please.

Thank you.

Best Regards,
