Dear Hsiao Tong,

Thank you for your email.

Our client is unable to agree with your principal insured point of view. In regards, if our client did accelerate or not, this is your principal insured personal point of view and it does not affect in terms of liability. Being a lane changing vehicle, does that mean to say that straight moving vehicle must always give way to them and they can no need to look out for safety and just lane change as at when they wish to.

Our client don't see any reason to bear any liability in this scenario, please review and seek mandate to settle our client's claim on 100% basis.

Please be informed that our client is in the midst to seek for legal opinion if there isn't any prospective of settlement within the next 7 days.

We trust that the above is not necessary.

Thank you and regards,

Richard Ang

Dear Sir/Madam,

**ACCIDENT INVOLVING SKD 1798Z & PA 9563M ALONG/AT CTE TWDS SLE
BEFORE AMK AVE 1 EXIT ON 08/01/2019**

We refer to the above subject matter. We write to inform you that we are the loss adjuster appointed by your motor insurer, AIG Asia Pacific Insurance Pte Ltd to deal with the third party claim against your policy.

We have received a claim from PA 9563M against your motor insurance policy.

Based on the accident report and accident scenario, liability is not in your driver's favour as your vehicle changed lane and collided with third party. Under Motor Accident Guide, vehicles should keep in the proper lane and change lane only when it is safe. We will therefore proceed to negotiate for an amicable settlement with the Third Party.

If you have evidence/information to proof that we should not settle the third party claim, kindly let us have them in writing within the next 10 days i.e. by 08/03/2019, after we shall proceed with negotiation with Third Party claimant on the without prejudice basis and any settlement should not bind any claims whatsoever by you/your driver against the other party's insurer arising from this particular accident.

Please note that your No-Claim Discount (NCD) (if any) will be affected and reduced by 30% (20% for commercial vehicles) upon next renewal due to this Third Party claim. However, if your policy has a NCD protector feature, it will be deemed utilized for this claim and your NCD will be protected.

Please call us if you have further queries.
