Honda CB750

📦 Used

📁 In Class 2 (/categories/class-2-1593)

① One of the last CB 750s in Singapore, lovingly restored with completely overhauled engine and gearbox, new tires, new original front fork, new original break disks, new original carburetors kit installed, new original mirrors, new original handlebar, new original wheel-bearings for the wheels and in the fork, new original clutch, new adjustable rear shocks (originals of course available and included), new seat, new Yuasa battery, and COE until 14 DEC 2025. I have invested over 12k (COE included) in the bike and i have most invoices to prove it. Before the restoration, bike was at around 84.000km. 15 Dec 2005 first year of registration.

The only thing left on the bike to be done is a new paint, the one it has, doesn't do justice.

I will not entertain lower offers. It's not a fire sale, it's just a very under-utilized bike that i would love to see it gone on good and appreciative hands.

New Inspection, Road Tax.
