Without Prejudice

Dear Vic

Based on the video footage, your insured also follow too closely therefore when our driver brake, your insured cannot brake in time and therefore hit onto the rear portion of our taxi.

Under BOLA S31(a), driver travelling behind another vehicle must keep a safe distance.

For this case, we do not agree to your rejection of the claims.

Please abide the rules and regulations under the NIMA protocol.

Please revert within the next 5 working days.

Thank you
Best Regards
Jasmine Tan

Dear Wai Yin,

We refer to the subject matter.

Please be informed that our principal had further reviewed the matter and based on the available information and evidence at hand, our principal is in the view that our Insured is not liable of this accident.

Our Insured had provided a copy of the video footage that shows the entire accident. Based on the attached footage, your client's vehicle stop abruptly when there was no obstruction ahead which caused the accident.

As such, we have our principal's instruction that we are unable to look into your client's claim.

We will now close file in our end.

Thank you.

Best Regards,
