Brief Details.

On 08/01/2019 at 1359hrs, I was travelling along Hougang Ave 3 at the cross junction of Hougang Ave 2. As I was proceeding straight, heading towards Ang Mo Kio, I stopped on the left most lane at the junction as it was a red light.

When the traffic light turned green, I slowly moved off when all of a sudden, I heard someone using their vehicle horn and as such, I turned my head to my right where the horn had originated from and saw a red mazda approximately 2 metres away from me and was impossible for me to evade the incoming car. I braced for impact and subsequently slammed my brakes causing my vehicle to skid a distance away from the incident location. I made a check on my passenger and she informed that she was fine and left my car. I then realized that the said Mazda car had hit onto a motorcycle from the opposing lane, a lorry that was 2 lanes beside me, and my car. This accident could only have happened if the mazda had beat the red light junction from Hougang Ave 2. A footage of the accident has been uploaded on ROADS.sg's facebook page.

I managed to only get the particulars of the mazda driver. The motorcyclist was conscious and responsive however was visibly injured and bleeding from the nose. Soon after, SCDF ambulance and Traffic Police arrived and took our particulars.

I am lodging this report for insurance claims purposes. That is all.
