Dear Sir,

Reference to the reported accident received through the letter pertaining to an accident involving SJA6669H & SLZ3012S on 12/01/2019 along/at Koven Market Carpark between 1 to 2pm. I would like to clarify that to my knowledge, there was no impression of any accident nor any contact/impact with any vehicle that caught my attention. Basing on the time of the reported accident around 1plus pm, I was indeed at the said carpark parking my car. My car was parked there till about 2.30 pm. An earlier report would have been lodged from my side if the accident as claimed by the 3rd party had happened. No damages pertaining to the accident observed on my car. As such kindly repudiate the claim.

Best Regards,

Dear Joy,

As per our teleconversation with reference to the letter received pertaining an accident involving SJA6669H & SLZ3012S on 12/01/2019 along/at Koven Market Carpark, would like to clarify that to my knowledge, there was no impression of any accident nor any contact/impact with any vehicle that caught my attention. If there had been, in the confined carpark area, would not have gone unnoticed and would have addressed with the party involved. A report would have then been made from my side.

According to your input, the involved party had a footage to show the scene of accident and you would try to get and share with me. I should make the report only after I have received the footage? Kindly retrieve the footage asap as I have no recollection of the accident.

Await your reply.

Best Regards,

Nigel LIM
