Brief Details.

On 14/01/2019 at about 10.35 pm, I was driving my vehicle bearing registration plate no. SGJ654C when I entered the service road in front of Blk 432A Sengkang West Way. Thereafter, there was one Malaysia registered lorry bearing registration plate no. JQK7738 parking at the side of the service road blocking the way and my vehicle was unable to drive past. Subsequently, I sounded the horn but the lorry suddenly reversed and collided onto the front portion of my vehicle causing a big impact. Immediately, I alighted from my vehicle to make a check and the Malaysian driver also alighted. I observed that there is no damages to the lorry. Due to the accident, I felt some pain at my back area but I have not seek medical treatment.
