Brief Details.

On 17/01/2019 at about 0805hrs, I was driving my father-in-law's vehicle SGR7933J along the bend from PIE towards Kim Keat Link. The traffic was quite heavy at that time. When approaching the stop line from PIE, I slowed down and stopped behind a stop line to wait for traffic to clear. All of a sudden, I felt an impact from the back of my vehicle. I looked into the rear view mirror and saw one motorcycle (FBM217A) have collided into my vehicle, however the rider and his pillion did not fall off.

As it was unsafe for me to alight due to the heavy traffic, I drove to the roadside near to Toa Payoh SAFRA, after the zebra crossing, to assess the damage. The motorcyclist have also stopped and I did not notice any physical injury on him except for a small cut on his finger. The pillion was also observed to be okay. I noticed a vehicle part have also fallen off from the right side of the motorcycle. Due to the impact, there are some scratches and dents on the left rear of my vehicle. I wish to state that I do not have any injury. We then exchange particulars and left for our own ways. No police or ambulance came to scene. I
