## **Brief Details.**

On 19/01/2019, I was executing my duty as an outrider for Certis Cisco at a BTS concert at Singapore Sportshub. I was riding a marked motorcycle FBE8608U along the outer lane of the middle roundabouts of Stadium drive when suddenly one vehicle from my right side made an abrupt lane change to my lane and collided with me.

As a result, I suffered some minor scratches on both of my hand. While the driver and her one passenger was not injured. No ambulance and traffic police attended to the incident.

My motorcycle received some scratches & chip off at the front near the windshield and the right crashbar was bent inwards. While the car left headlight was damaged.

I've reported the incident to my supervisor and was instructed to lodge a traffic accident report.
