Brief Details.

I wish to make further amendments regarding the previous report that I lodged:

On the above mentioned date and location,

I was riding my bike along the straight road of Gul Way, on the Lane 1 of 2. Trailer was parked along the roadside on lane 2. As I was going straight, suddenly a grey colored van came from my left hand side. The van was coming out from a building and made a turn to the opposite lane.

I sustained injuries and called the ambulance to the accident spot.

Meanwhile, I spoke to the driver and exchange particulars and contact details. According to the driver, he said that he checked out for vehicles behind the trailer, and made the turn when it was clear.

My bike is damaged and was towed by traffic police. I wish to state that I had the right of way at the time
