Hi Samantha,

As spoken, refer to our insured statements herein.

Brief Details.

On 16/01/2019 at about 11:38 am, I parked my car (grey Honda Stream, reg) in the parking lot right outside Sembawang Country Club (Toronto Gate). I was then driving from the parking lot onto the main road (Sembawang Road). I also turned on my car's signal with the intention to drive off, however, a white Mitsubishi pick-up, suddenly overtook me. He is supposed to stop and allow me to drive off first. The driver of the pick-up did not give the signal, and after overtaking, he quickly swerved back into the lane. I wish to state that I did not avoid colliding with that oncoming car, thus he quickly swerved back into the lane.

Due to the driver's actions, when he swerved back into the lane, the side of his car hit the side of the front bumper of my car. Thereafter, the driver of the pickup stopped somewhere near to the gate, and right in the middle of the road's continuous view. The driver got out of his pickup and I asked him for his particulars. He then provided his license and also his name card (with his contact no). The driver told me that he had to wait as I wanted to call for the police. The driver also told me that it is my fault to drive off, but instead had signaled with the hazard light. But I told him I clearly did not with the hazard light. Soon after, the driver left the accident scene. I also took photographs of the scene.

My car sustained the following damages:- 1) dents and cracks on the front bumper and scratches on the right headlight.

Regards,
Lionel
