Brief Details.

On 25/01/2019 around 0810rs, I was driving my vehicle bearing registration plate number (SJZ1431C) along Woodlands Avenue 3 about to turn onto the highway from Kranji MRT towards Marsiling MRT direction. The light was green however I did not carry on to move on because there are still on-coming cars. I waited till there was enough safety distance before moving off. Suddenly, a car bearing registration plate number (PMK6818) from the on-coming direction suddenly speed up and his vehicle swerved onto my direction colliding onto the left side of my vehicle while I was turning into the highway. Subsequently, after the collision, I managed to get out of my vehicle after a few minutes and went to the other party's vehicle to take a look as I see no response from there.

The other party's window was quite tinted and I managed to peek through and see a guy crouching down in the front passenger side of the vehicle. I then called for SCDF and police assistance as the other guy was not responsive at all. SCDF and Traffic police came and managed got the other party's fellow out however he mentioned that he was not the driver of that vehicle. I was then conveyed to KTPH for treat my injuries and was given a total of 7 days mc and was only discharge today. No government property
