Brief Details.

On the above mentioned date and time, I was travelling along Outram Road. I then stopped my car as the traffic light was red. All the other vehicles were also stopped for some time. I then suddenly heard a banging sound on my left. I turned and noticed a motorcyclist riding unsteadily at the front left of my car. He was in-between my car and another taxi. He turned behind, gave a wave and proceeded onwards. I sounded my horn to get notify him to stop to the side as he had hit my car. When the light turned green and I proceeded, I had thought he would stop thus I went to the side of the road. However, he just continued on and did not stop.

My left side mirror's casing is dented. The mirror itself is dislodged.
