#### Brief Details.

On 25/01/2019 at about 2228hrs, I was at the junction of Rochor Canal Road, Selegie Road and Bukit Timah road. I was turning right from Rochor Canal Road towards Selegie road and the traffic was very heavy at that point of time. I waited in line for the vehicles to move off and had already crossed the stop line and was already queueing up to turn right into Selegie Road lane 3. When the traffic started to move, I followed the vehicle in front of me, a taxi from the left abruptly cut into my lane which caused me to collide into him. He came out from nowhere and I had no time to react thus the head of my vehicle collided into the right side of his vehicle.

We got off our vehicles and the taxi driver was very hostile towards me. We took each other's particulars and left. Both my passenger and I went to Intemedical 24 Hr Clinic and got 4 days MC each.
