Without Prejudice

Dear Kee Siang,

We refer to your below email.

As requested, we had attached our previous email and sketch plan of our Insured for your review.

Our principal is in the view that based on the position of the vehicles (as per your client's scene photos), liability is unclear. As there is a possibility that our Insured statement may be probable. However, since **no concrete evidence from both parties**, our principal is prepared to settle your client's claim on a 50/50 basis.

Thank you.

Dear Nora,

We refer to your below email and to our telephone conversation earlier.

As spoken, our principal is in the view of unclear liability in the absence of concrete evidence e.g. video footage to support each version of the accident.

However, we propose for a 50/50 liability for an amicable settlement.

Thank you.
