Brief details.

My vehicle SGJ8336G, a grey Audi A4, was parked at the stated location between the stated times. After I left Kallang Wave Mall, I drove straight home and parked in my car porch. At around 3.50pm, I drove my family to a carpark in Bedok South next to Siglap Community Centre, and parked my vehicle there for my children's swimming lessons. At around 5.15pm, upon returning to my vehicle, I noticed that the front right corner of the vehicle has been damaged with severe scuff marks and scratches, and a dent with a part of the bumper scraped off. I immediately reviewed my car camera footage, but there was no apparent culprit shown during the time.

that my car was parked in Bedok South. There was also no contact of any kind when I was driving on the road throughout the day. Unfortunately, due to the late time of discovery, my car camera had already overwritten the footage from the time when my vehicle was parked at Kallang Wave Mall.

Due to the facts that:

1. There was no contact or accident while I was driving the vehicle;
2. Car camera footage did not reveal any damage caused while my vehicle was parked in Bedok South;
3. No damage could have occurred while my vehicle was parked in my gated car porch; and
4. The position of the damage (front right corner) was not visible to me during my walking approach to the vehicle when leaving Kallang Wave Mall, as I had approached from the rear of the vehicle, and there was a pillar at the right side of the vehicle also concealing the damage.

I can only conclude that something or someone had damaged my vehicle while it was parked at Kallang Wave Mall, and did not leave any contact details behind.

I would like to request for Kallang Wave Mall management to review any available security camera footage covering the relevant carpark lot.
