Brief Details.

On the abovementioned date, time and location, I was riding my motorcycle with a pillion rider (Name: Tan Teck Heng, FIN NO: G2876369M) on the middle lane. All of sudden, a car (SHA9038H) drove in to the middle lane from the first lane. There was no signal given by the car when the car is trying to filter into the middle lane. There was not enough time for me to brake and my motorcycle collided to the rear of the car. Myself and my pillion rider fell off the motorcycle. The said car did not stop after we collided into him. Therefore, I stood up and chased the car and the car came to a stop. I was not able to get his particulars as he mentioned he was in a rush. I only managed to get his mobile number and vehicle number.

Myself and my pillion rider went to the doctor and was given 2 and 5 days of MC respectively.
