DESCRIBE CIRCUMSTANCES OF THE ACCIDENT Refer Police Report

Brief Details.

On 9/12/18 at about 1850hrs, I was driving along Pasir Panjang Drive right turning into a carpark infront of Pasir Panjang Terminal Building 3. As it was heavy rain, I checked my opposite direction and it was clear for me to proceed forward. I then continue make my right turn, suddenly a motorcycle collided into the right side of my driver door.

I stopped my car immediately and exited my vehicle to help the said motorcycle rider to the nearest shelter before shifting my car into the said carpark. I then asked my colleague who happen to pass by the area to call for the ambulance and subsequently the rider was then conveyed by the ambulance. After the rider was send off by the ambulance, traffic police gave me a call to request me to go back to the accident area. I then met up with the traffic police and was given a case card which require me to lodge a traffic accident report. The collision caused my vehicle damage on the right side skirt, side mirror, rear fender and right door. The collision also caused the motorcycle suspension to be damaged. On 10/12/18, I woke up and felt pain on my neck and shoulder so therefore I then went to seek for medical assistance. I was then given 3 days of MC from 10/12/2018 to 12/12/2018.

"Kindly note that this negotiation between parties on this matter is purely on a without prejudice basis with the sole intention of resolving the matter amicably without parties resorting to legal proceedings. STATUTORY DECLARATION

I, MOHAMED YASIN BIN OMAR NRIC No: S7833667F, Address: Blk 748C Bedok Reservoir Crescent #01-41 Singapore 473748, do solemnly affirm and say as follows:-

- On 9th December 2018 at about 6.50 pm, I was walking near the pathway across Harbour Drive Road near PSA Pasir Panjang Terminal. I saw a motorcyclist riding motorcycle No FN 6130Z riding on the right lane towards my direction. Out of a sudden, I saw a black car No SJZ 5876B suddenly made a right turn from the left lane without signalling. I saw the motorcyclist was not able to stop in time and hit the black car. On that evening, it was raining heavily.
- After the accident, I ran towards the motorcyclist who was lying on the road. Two
 other males came to help the motorcyclist. I recognised the two male persons as my
 colleagues. They also helped the motorcyclist to the side of the road.
- 3. The three of us helped to push the motorcycle to the side of the road. The black car turned right and parked away far away from the accident area. The car driver walked towards us. The car driver kept saying "my fault, my fault". I asked for the car driver's driving licence and identity card. The car driver refused to give me.
- The car driver repeated that he was at fault. I could not stay any longer as I needed to report for work. I took a photograph of the accident location and the parked motorcyclist.
- 5. After that, I told the motorcyclist my name and my working place ie PSA. I also gave him my handphone no. I told him to contact me as I needed to leave for work. It was then I realised that the motorcyclist was working for PSA as well. At that time, I do not really know the motorcyclist even though we both work at PSA. I annex a copy of the photograph which I took marked "A".

And I make this solemn declaration by virtue of the provisions of the Oaths and Declarations Act 2000, and subject to the penalties provided by that Act for the 6. making of false statements in statutory declarations, conscientiously believing the statements contained in this declaration to be true in every particular.
