

STATUTORY DECLARATION

I, **MOHAMED YASIN BIN OMAR** NRIC No: S7833667F , Address : Blk 748C Bedok Reservoir Crescent #01-41 Singapore 473748, do solemnly affirm and say as follows :-

1. On 9th December 2018 at about 6.50 pm, I was walking near the pathway across Harbour Drive Road near PSA Pasir Panjang Terminal. I saw a motorcyclist riding motorcycle No FN 6130Z riding on the right lane towards my direction. Out of a sudden, I saw a black car No SJZ 5876B suddenly made a right turn from the left lane without signalling. I saw the motorcyclist was not able to stop in time and hit the black car. On that evening, it was raining heavily.
2. After the accident, I ran towards the motorcyclist who was lying on the road. Two other males came to help the motorcyclist. I recognised the two male persons as my colleagues. They also helped the motorcyclist to the side of the road.
3. The three of us helped to push the motorcycle to the side of the road. The black car turned right and parked away far away from the accident area. The car driver walked towards us. The car driver kept saying "my fault, my fault". I asked for the car driver's driving licence and identity card. The car driver refused to give me.
4. The car driver repeated that he was at fault. I could not stay any longer as I needed to report for work. I took a photograph of the accident location and the parked motorcyclist.
5. After that, I told the motorcyclist my name and my working place ie PSA. I also gave him my handphone no. I told him to contact me as I needed to leave for work. It was then I realised that the motorcyclist was working for PSA as well. At that time, I do not really know the motorcyclist even though we both work at PSA. I annex a copy of the photograph which I took marked "A".

6. And I make this solemn declaration by virtue of the provisions of the Oaths and Declarations Act 2000, and subject to the penalties provided by that Act for the making of false statements in statutory declarations, conscientiously believing the statements contained in this declaration to be true in every particular.
