Dear Cecilia

Enclosed is the video footage/ scene photos for your investigation.

From the video, our driver was going straight following the lane and your client cut into our driver lane that causing this accident.

Hope you can review this matter and let us have your best offer.

Brief Details.

On the above mentioned date, time and location, I was driving along AYE towards Changi.

I was driving on the second lane from the right. As I approached the Lower Delta Exit, there was a build up due to tree cutting. When suddenly, another vehicle SMC 3686G entered the lane I was on the right lane. Causing a side to side collision. There was some damage but nothing too serious on vehicle. Just some dents and scratches. My passenger was in a rush hence, he offered to exit the scene to take pictures. the other driver did not ask for my particulars nor did I and we both left the scene.

Thank You
