DETAIL OF ACCIDENT

PLEASE EXPLAIN CLEARLY THE CIRCUMSTANCES UNDER WHICH THE ACCIDENT TOOK PLACE.

SKETCH:

On 4th Feb 2019 at about 3.50pm, I drove to Jalan Senang to collect some crabs from a seafood seller. As the area around the shop is very crowded, I stopped my van and slowly let my van creep forward while being guided by a passer-by who volunteered to keep a look out for me to ensure that I do not knock against any other vehicle. As the passer-by is guiding my van through, I suddenly hear a scratching sound against my van. I immediately stopped my van, came down and saw a white BMW rubbed against the left side of my vehicle. The white BMW must have started moving as my van was being guided thru the narrow space by the passer-by. As the damage is very minor, we just exchange contact details, thinking that each of us will just do some polishing or minor touch up after the Chinese New Year.

On 16th February 2019, the other driver called me and said he wanted to send his car to his friend's workshop to repair who will help him to claim \$3000 to \$4000 including lost of use. I was surprised at the amount and told him to check with the insurance company authorized workshop. He told me just submit a report to my insurance company as he has already made a report on his side. Hence, I called the insurance company after the weekend and was told to drive my van to their authorized workshop to submit a report as soon as possible.

NOTE:- Every communication you receive in connection with this matter should be forwarded to the Company without delay.
