Brief Details.

On the 25/01/2019 at around 1926hrs, I was driving my car SMF8075X along Havelock Square. I was supposed to drop off my passenger at Furama City Centre. As I was approaching the U-turn side to drive back to Havelock Road, I noticed that there was a blue comfort delgro taxi trying to enter into my lane from the pickup/drop off point on my right. I gave him space for him to enter my lane and slowly started to move forward. While i was moving, i suddenly noticed that a maroon smrt taxi was trying to tailgate the comfort taxi to enter my lane. As i was too close infront already and not able to reverse behind, i tried to signal to the driver to give me space first as i was about to make my U-turn. The driver still proceeded on and side swiped my front right bumper of my car.

The driver then came out of the vehicle and started behaving very aggressive towards me. The driver accused me of entering into his lane. I tried to talk to him nicely and get his particulars but to no avail. At one point, i tried to take a photo of the damage on the taxi and the driver swiped my hand away. I then started to take video of the damages and the driver subsequently calmed down. The driver also did mention to me that his taxi lawyer is very powerful and they will talk to me. I wish to state that i have in-car camera recordings of the accident. I have already reported this matter to the taxi company.
