- I was behind the taxi at traffic light junction
- I thought the taxi was going straight when the light went green
- Instead the taxi turned right
- So I overtake on the left to avoid collision
- But I was too close when I want to overtake and I braced the taxi on my front right side which is back left side for the taxi
- Because the accident happened in the middle of traffic junction, I moved off and stopped at the bus stop nearby to check my vehicle
- And doing so, I was waiting for the other party to follow me
- I waited for quite sometime but the taxi did not come

I/We declare the foregoing particulars are true in every respect.
