Brief Details.

On 19/11/18, at about 1730hrs, I was driving my vehicle(SKE1421E) along Jurong Pier Road towards Jln Boon Lay. I was travelling on the second lane when I came towards a divider which divides the traffic towards Jln Boon Lay and AYE. Suddenly a truck with the registration plate XE3309E was travelling on the lane towards AYE decided to switch towards my lane without checking for any oncoming vehicle. He collided with my right side of my vehicle.

We both stopped our vehicle and proceed to exchange particulars. I wish to that the right side of my vehicle was dented and badly scratches, the body kit on my right passenger door has already fell off and the right passenger door could not open due to the accident. The right side mirror was also dented, outwards and lastly my right rear rim and tires was scratched.

Both the truck driver and I did not sustained from any injury. However after the accident, I saw him travelling towards Jln Boon Lay direction which he claimed that he was travelling towards AYE in the first place.
