Without Prejudice

Dear Raymond,

We refer further to our below email.

Please be informed that our principal had further reviewed the matter and based on the available information and evidence at hand, it was observed that our Insured was travelling within its lane when signalled to turn right towards the car park entrance when your client overtook from the right. Our Insured was ahead and your client should have kept a proper safety distance and lookout for our turning vehicle. Please see attached video footage.

As such, we have our principal's instruction and that we are unable to look into your client's claim.

We will now close the matter in our end.

Thank you.

"Please note that our above offer and any settlement arising from the above offer are made on a without prejudice basis, and should not be construed as an admission of liability on our part or on the part of our Insured Driver. Terms of such settlement should also not be disclosed in any other related matter(s) in respect of the accident. Our offer made in respect of this present matter is made solely to resolve this matter only. No reference shall be made to this offer or any settlement arising from this offer in any other related matters."
