Accident Report

On 26 Feb 2019 (Tue) @ 5.45 pm, I stopped my car at the Queenway-Jalan Bukit Merah/Alexandra Road traffic junction when the traffic light turned red. I was behind another car and was on the side of the road opposite Park Hotel Alexandra. Suddenly a motorbike bearing registration no : FBN7572Y (see photo attach) was moving beside on the left side of my car. The bike driver tried to manoeuvre his motorbike towards the front of my car. As he was passing my car, he accidentally banged on to the left side front fender of my car as there was slight screeching noise. I stopped my car engine and went to have an inspection together with the motorbike driver. The driver is a young Malay teenager. We discover 3 slight scratches on the fender just immediately after the wheel (see attach). The young teenager apologised to me and pleaded with me that he just started working and cannot afford to pay for the damage. Out of sympathy for the teenager and saw that the scratches were slight, I decided to forego the issue and told him to be careful next time. We then drove off in separate directions without taking each other's particulars. That's all
