### Brief Details.

On 22/02/2019 at around 4.25pm, I was driving along Telok Blangah Road towards town direction. I was travelling straight and right at the junction between telok blangah road and keppel bay drive there is a traffic light that turns red. I stop at the traffic light. I was on the second lane from my right. Just when the traffic light turns green and i was about to move off, suddenly this vehicle ( SLL6781J) subaru forester hit into the back of my car. My car was damage and i was carrying 1 passenger at that moment.

I get down the car and exchange particulars. Then i ask my passenger if she was injured and needed an ambulance assistance. She then mention that there isn't a need to and she is not injured.

I was feeling unwell after the accident and visited the hospital.
