### Brief Details.

On the 22/02/19 at about 8am I parked my motorbike FX 4931P, Kawasaki KRR 150, at 116 Bukit Merah View open space carpark, motorcycle lot 19. At about 4pm, I came back to my bike and it was still intact.

At about 8.30pm, when I returned back to my bike lot, I saw 3 motorbikes, including my motorbike FX 4931P, were all toppled down on the ground next to one another. I did not know who knocked the motorbikes down. And there were no suspected vehicles around.

I made a check on my motorbike and there were several damages. The bike's front visor is shattered. The front right mirror has been broken. The signal light is not working. The right-side handlebar is dented. And several scratches on other parts of the motorbike.

I do not have an in-built camera on my motorbike. However, I noticed that two other cars in the carpark, facing my motorbike lot, had their in-built camera switched on and blinking. One of the vehicle is SLP 2725C and the other is SJB 2599Y. I managed to contact both the car drivers as I personally knew the drivers. One of them told me that he will get back to me after seeing the camera footage and the other driver from SLP 2725C was able to provide me with his camera footage.

I discovered from the footage that at 8.26pm, a white coloured lorry was doing a parallel parking next to the motorcycle lot and subsequently hitting my motorbike causing the other motorbikes to topple down. The footage was not very clear and I am unable to figure out the lorry's plate number. When I was at the carpark at 8.30pm, the white lorry was not at the location.

I am still waiting for other footages to get a clearer view of the accident. I will also be contacting the carpark's 24 hour hotline to retrieve the CCTV footage of the accident.
