#### DESCRIBE CIRCUMSTANCES OF THE ACCIDENT

Car was parked stationary at parking lot 20 since around 10.30am. When I collect my car at around 12.35pm, I found that my car plate was broken, seems like it was hit by another vehicle.

The driver which caused accident left a note with her phone number. She provided her name in the note and apologise for causing damage to my car.

As my in-car camera only take footages when the engine is turned on, there was no footage of accident.

The driver mentioned that she has made police report and was advised by police officer that she need not provide any particulars to me since the car was reported to police. She only provided her car plate number. I have filed the case online at AIG's website.

There was a witness that informed me driver lives at block 217 and was his neighbour, however I did not take down the particulars of the driver

#### DECLARATION

I/We declare the foregoing particulars are true in every respect.
