### Brief Details.

On 27/02/2019 at around 1020 hours, I was driving on the right lane of a 2- lane road along Woodlands Causeway Bridge heading into Johor Bahru.

As the traffic was heavy, I came to a complete stop. Subsequently, I felt a bump on the back of my car. I then came down of the vehicle and noticed that another vehicle had hit onto the back of my car. I then exchanged my particulars with the said driver.

I have been driving for the past 29 years and this is the first time such incident happened. I have an inbuilt camera in my vehicle but I believe that the footages could have already been overwritten. I do not know if there are any CCTVs at the said location.
