Dear Sir/Mdm,

There is a typo error for the workshop name in previous ATA form. Attached is the amended ATA for your necessarily action.

Sorry for causing any inconvenience.

"Kindly note that this negotiation between parties on this matter is purely on a without prejudice basis with the sole intention of resolving the matter amicably without parties resorting to legal proceedings. No admission of liability, whatsoever, should be deemed / inferred from this negotiation of terms/settlement.

"In the event of new evidence being discovered or subsequently produced by either party that will materially affect/influence on the issues of liability/damages, either party is not bound, thereafter, by the negotiation terms/settlement."

Note: We are on work from home arrangement. All correspondence should be made via email. Submission of claim related documents will be in softcopy. Any inconvenience caused is much regretted.

Dear Jasper,

Thank you for your email.

The rental agreement stated very clearly \$525.00 / per week which is @ \$75.00 / per day x 2 repair days = **\$150.00 nett**. Not more, not less but exact rental fee .

May we know what is your basis of paying at \$60.00 per day?

Thank you in advance.

Truly
