Brief Details.

On 23/02/2019 at about 1500hrs, I parked my car along East Coast Rd just outside unit number 154. I was sitting in the car with my wife while waiting for my daughter to end her lessons at 1500hrs. Suddenly, I saw two cars driving very fast towards my car. It seemed like they were racing. One of the car was very close to my right side. When the car (SLK6772R) drove past my car, it hit my right view mirror which broke and flew off onto the road. The car then sped off without stopping even though I horned him many times. I managed to capture the car details with my in-car camera. No one was injured.
