Dear Sir/Mdm

We refer to the above subject matter.

Please be informed that our principal had further reviewed the matter and based on the available information and evidence at hand, our principal is in the view that our Insured is not liable of this accident.

Based on the attached video from your client, we can clearly see that there's no point of contact between the vehicles.

As such, we have our principal's instruction and that we are unable to look into your client's claim.

We will now close the matter in our end.

Best Regards,
