Without Prejudice

Dear William,

ACCIDENT INVOLVING VEHICLES SLH 3440J AND SHF 1529J ON 02/03/2019

We refer to the subject matter and to your LOD.

Please be informed that our principal had further reviewed the matter and based on the available information and evidence at hand, our principal is in the view that our Insured is not liable of this accident.

Our Insured had reported that he was stationary to unload passengers and the passenger door was already left open for a while. However, your client, while also stationary did not take proper notice of the opened door and moved off instead of waiting for the door to be closed. Please refer to the attached video footage that shows the entire incident.

As such, we have our principal's instruction and that we are unable to look into your client's claim.

We will now close the matter in our end.

Thank you.

Best Regards,

Vic Alpeh | Case Handler
