Dear Stacey, We refer to above matter. Based on OI's video footage show that, T junction, Third Party turning into main road from minor road and causing collision with OI who is moving straight along the main lane. However, Third Party reported that his vehicle being rear ended by OI in his GIA report. Our Insured version is more creditable as per OI video footage, BOLA 9 should be apply against TP and we are intending to reject third party claim. For your approval/comments/instruction.
