## Brief Details.

On 01/03/19, at about 2230hrs, I was travelling on lane one along Race Course Road. At that point of time, there was a yellow 'CityCab' on lane two. As he signaled right and was filtering in, I gave way. However, he started to go back into his lane again. As such, while I was about to overtake him, he made a right turn all of a sudden and side swipe onto my vehicle. After the accident, we alighted from our vehicles to assess the damage and to exchange particulars.

I would like to state that there were no traffic police or ambulance at scene. I have a front and rear inbuilt vehicle camera which captured a footage of the accident.
