CONTINUATION OF REPORT

Brief Details.

On 02/03/2019 at about 0135hrs, my boyfriend and I booked a grab taxi bearing SHD2817G was travelling from 7 Pheng Geck Avenue to my destination at 695 Hougang Street 61. At about 0145hrs, we came to a stop at the traffic junction at Upper Serangoon Road and Hougang Avenue 2 as the traffic light had turned red. The taxi was on the extreme left lane, and there was a 14-footer construction lorry bearing YP5423A in front of the taxi I was on and there was a car behind the taxi. Both my boyfriend and I were sitting at the rear passenger seat at that point of time. The lorry in front of us started to reverse all of a sudden. The taxi driver honked at the lorry. However, the lorry did not stop. The rear of the lorry collided with the front of the taxi. I believe that the lorry driver was aware of the collision. However, he did not stop nor alight from the lorry. he drove off once the traffic light turned green.

No one was injured. There was no damages to government property. There were scratches on the bumper and the number plate of the taxi.
