Dear Sir/Ma'am,

RE: ACCIDENT ON 03/03/2019 INVOLVING SMF8044K & XD6463C

1. We refer to our vehicle SMF8044K damage claim against your insured XD6463C, via our appointed workshop – **City Auto Pte Ltd**.
2. We do not agree to your views, decision towards our claim & wish to appeal against your decision.

Our in-car camera video footage clearly showed both our vehicle **SMF8044K – Lane 1** & your insured **XD6463C – Lane 2** respectively driving along the slip road (Kallang Bahru Flyover) towards PIE (Tuas).

However while both vehicles were navigating the bend on the slip road, the video (0:07 sec onwards) showed gravel objects dislodged from your insured XD6463C & caused damage to our vehicle SMF8044K.

We enclose the accident video & some video screen grabs for your reference.

3. We appreciate your assistance to review our claim & the exact circumstance of the accident.

If you require any further clarification, please contact **City Auto Pte Ltd at 6452 0850**.

Sincerely,

Management
Lumens Auto Pte Ltd.
