Dear Agnes,

We refer to below email.

There is an error under the year of reg.

It's typo error, should be 2008.

Please reconfirm the panel tailgate areas adjustments are in order.

The damages to the tailgate is at the left hand side corner, the tailgate is made of aluminium material unable to knock back or heat treatment. It was hit by the insured bus, momentun impact force is very great.

We adjusted from \$12,500 to \$8,000 due to price high.

Best Regards,

Veron Chen | Case Handler
