Dear Anil

I refer to your email below.

We agree in principal to take up this case and prepare a technical report with respect to which accident version was more probable.

Our professional fees for the report including a site visit and interview with the your client will be \$1500/- excluding gst.

This does not include any subsequent Court attendance and/or affirming of AEIC, which is \$600/- per half day and \$200/- respectively.

The estimated timeline for this report is about end December 2018.

Upon confirmation, my office will send you a service request form for you or your client's endorsement before the start of any work.

Best Regards,

Bryan Ang

Urgent

Dear Mr Brian Ang,

We refer to the above to the above matter.

We act for the owner Vetrura Leasing Pte Ltd of SJP5354T in respect of his property damage claim for the above matter. We are at post Writ stage for the above matter.

We require to do an Accident Reconstruction report to support our client's (SJP5354T) theory of the above accident against the Defendant (SLN9226R) for the above matter. The main point that our client wish to prove that the Defendant's vehicle SLN9226R (Black Mercedes) exited from Ritz Carlton Hotel without stopping at the stop line into Raffles Avenue and had collided onto our clients' vehicle SJP5354T which the said Defendant driver of SLN9226R had denied the same for the above matter.

FURTHER STATEMENT GATHERED FROM OUR CLIENTS' DRIVER MR EDWARD NG YONG YEW OF SJP5354T

Our clients' driver Mr Edward Ng Yong Yew of SJP5354T mentioned that he was driving along 1st lane (right most lane) along Raffles Avenue when he was nearing / almost to the Exit point of Ritz Carlton's driveway towards Raffles Avenue, he saw the Defendant's vehicle SLN9226R (Black Mercedes) driving fast along the said driveway of Ritz Carton to Exit into Raffles Avenue. Our client's driver of SJP5354T anticipated that the Defendant's vehicle SLN9226R (Black Mercedes) might not stop at the said exit and thereafter, our clients' driver of SJP5354T veered slightly to the 2nd lane along Raffles Avenue when the said Defendant's Black Mercedes of SLN9226R's front left portion collided onto the right front driver door of SJP5354T (1st impact - moderate to serious damage to the right front door). Upon 1st impact, both vehicles were still in motion and our client's driver of SJP5354T was still attempting to brake to stop his vehicle and along which his vehicle SJP5354T's right side rear door was damage (2nd continuous impact - right rear door area damaged - slight to moderate impact). The eventual landing position as shown in the photographs taken at the scene of the accident. You can contact our clients' driver Mr Edward Ng Yong Yew of SJP5354T via his mobile no. 98767340 if you require any clarifications for the above matter.

PHOTOGRAPHS TAKEN TO SHOW THE LOCATION OF ACCIDENT

We further took photographs to show the location of the accident which actually reveals that between the Exit point of Ritz Carlton drive way into Raffles Avenue and the eventual landing / last position after both vehicles came to a stop is a short distance, approximately about half a car length apart. (see attached photographs)

We enclose the following documents:

- 1) GIA reports of SJP5354T & SLN9226R
- 2) Accident Scene Photographs showing the positions of vehicle
- 3) Single Joint Experts' done by Ajax Adjusters and colour copied damage photographs of SJP5354T
- 4) Traffic Police Result indicating no action taken
- 5) Photographs taken to show the location of the accident
- 6) If you require any other information / documents, kindly advise.

If you are agreeable to take up the above assignment, kindly let us have your Standard Charges:

- 1) To produce an Accident Reconstruction Report;
- 2) To attend Court proceedings (full day / Half day Trial) (if needed)
- 3) To sign AEIC's at our office premises (if needed)
- 4) Other, please advise

Kindly also provide a copy of your CV for the above matter.

Preferably, kindly let us have your reply for the above, preferably by 24th October 2018 .

Best regards,

Anil
