Dear Sirs/Madam,

ACCIDENT INVOLVING XD 7294S(ERGO) AND SLH 9494P ON 11/03/2019

We refer to the above subject matter. We write to inform you that we are the loss adjuster appointed by your motor insurer, ERGO Insurance Pte Ltd to deal with the third party claim against your policy.

We have received a claim from SLH 9494P against your insurance policy.

We have reviewed the matter and based on all available information at hand for the accident, we are of the view that we do not have a good defense towards the claim submitted by the owner of SLH 9494P. Kindly refer to the attached video footage from SLH 9494P for your easy reference. As per video footage, third party vehicle was driving within his own lane, your lorry and encroached into third party's lane and resulted the accident. As such, we are of the view that liability is not in your driver's favour and we shall proceed to negotiate for an amicable settlement of the third party claim at best to avoid further litigation, which would escalate to even more cost.

Should you however wish to further discuss on the matter prior to our negotiations and settlement, please contact us within 10 days from the date of this letter.

Please note that your No-Claim Discount (NCD) (if any) will be affected and reduced by 30% (20% for commercial vehicles) upon next renewal due to this Third Party claim. However, if your policy has a NCD protector feature, it will be deemed utilized for this claim and your NCD will be protected.

Please call us if you have further queries.

Note: This video footage is solely for investigation and shall not be reproduced. You undertake to preserve its confidentiality and will not disclose, provide or make available the video footage in whole or in part, to any third party.
