Brief Details.

On 21/08/13 at about 1330hrs, I was driving along Tampines Ave 8 towards Tampines St 81. I was driving along lane 1 approaching the junction of Tampines St 84. I saw that the traffic light was green so I proceeded straight. When I was at the junction, I saw a taxi coming from my left side, from Tampines St 84. I tried to swerve to the right but the taxi still knocked onto the front left side of my taxi. My passenger was injured and conveyed to hospital by ambulance. I felt pain on few parts of my body but yet to see a doctor. The front of my taxi was badly damaged and was towed away.
