Dear Vic

We thank you for your email, contents of which are fully noted. We wish to draw your attention to the fact that besides the video recording, there was an independent eye witness who can testify to this accident. His particulars are in my client's accident report and hope that you can contact him to verify this.

We feel that full denial from your insured, should not bear weight into this incident as this is only from his perspective.

Thanks/Regards

Dear Christina,

ACCIDENT INVOLVING VEHICLES SJE 6712U AND SLU 3926G ON 11/03/2019

We refer to the above matter and we had viewed your client's video footage.

Please be informed that liability is **not clear** at the moment as our Insured had strongly denied any liability.

We are currently looking into the matter and will be seeking further instructions to our principal.

We will get back to you for an update in due course.

Thank you.
