**Brief Details.**

On 31/12/2018 at about 1330hrs, I parked my car at Plaza Singapura level 3 carpark near the firehose, everything was intact.

At about 1900hrs, I went back to my car to discover that there was a scratch along the right side front bumper, I believe some white paint was left behind on my vehicle. My vehicle's bumper was dented and scratched. I like to mention that I have a in-car camera that recorded the incident, upon viewing the footage I saw that it was a white Subaru and I roughly could see that the plate number was "SLN4295" I could not make out the last alphabet from the video, I am not sure whether this is the correct plate number or not. I am able to provide the police with the video if they need it.
