Brief Details.

On 09/03/2019 at about 1305hrs, I was driving along Selegei road on the second lane from the right. I was waiting for the traffic light to turn green as I want to turn right onto Sungei Road. As the traffic light turned green, I drove and turn right onto Sungei Road and I stayed in my lane. Suddenly, I felt an impact from the rear right side of my van. I then realized that another car (SLQ7119P) had collided onto the rear right side of my van. I exchanged particulars with the said driver and took photographs of our vehicles. We then left the scene. I suffered back and neck injuries from the accident and was given 3 days of MC. My company had asked me to do a traffic police report as I was driving the company's van.
