Brief details,				

I was travelling along the road in front of Blk 354A Sembawang Way, opposite MSCP 354, at less than 20km/hr and turning left at about 5.40pm. A female driver in a grey Toyota SLL4150T has failed to check for my vehicle while turning right and hit the right side of my vehicle. The Totyota driver has insisted that I was driving against traffic and that it was a one way lane. I have corrected the Toyota driver that it was a two ways lane. The Toyota driver insisted that I was in the wrong and wanted police presence. I have then called Sembawang NPC at about 5.50pm for assistance.
