Brief Details.

On 21/03/2019 at about 1618hrs, I was in the first lane of Upper Changi Road East and the traffic light was red at the junction of Expo Drive. While I was waiting for the light to turn green, I felt an impact from behind, and I realized that the vehicles behind me had collided into the rear of my vehicle. I went to make a check, and I realized that in total there were two vehicles that were behind me that were involved in an accident. The vehicle directly behind mine was SFC6688P, and SME9915X was the last one.

I wish to state that there was no Traffic Police nor Ambulance at the scene. I wish to state that I went to seek medical treatment, and I got three days MC.
