Accident Details

Date: 13Mar19 / Time: 9:46am

Place of the accident: 335 Bukit Timah Road, Wing On Life Garden; Visitor car park.

Vehicle Number: **GBJ280G**

Driver: Tan Poh Yong, Nikko / NRIC: S1827663A

Mobile: 91788663

Vehicle Number: **GBE9405G**

Driver: Mohamed Azrul Bin Mohamed Abdul Razzaq / NRIC: S9708927B

Mobile: 83604308

I just finished my exercise and meditation class with the residents there (teaching there since the year 2012). I do not have any class until the evening at 5:30 pm, so I was enjoying another few minutes of meditation (quietness) in the van before driving off.

As usual, I drove slowly out of the shielded visitor parking lot after checking all clear on my left side, no vehicle on my right side and all good to go in the front. All the vehicle there was clearly at stationary when I drove out. Almost three-quarter of my van was out of the designated parking lot; I notice a red van reversing dangerously fast straight toward my direction. I stop my van immediately and before I can press my honk **GBE9405G** already hit the passenger side front panel of my NEW van.

Very clearly the driver was not looking at his left-side rear-mirror before reversing.

Reversing a van quickly and not looking at the rear-mirror and left-side rear-mirror was a dangerous and reckless act for any van driver. *What happen if it's not my van but a family with children walking out from the visitors parking lot?*

Reversing very fast was also confirmed by the condo security officer who also took a few pictures. He said, "he reversed very fast".

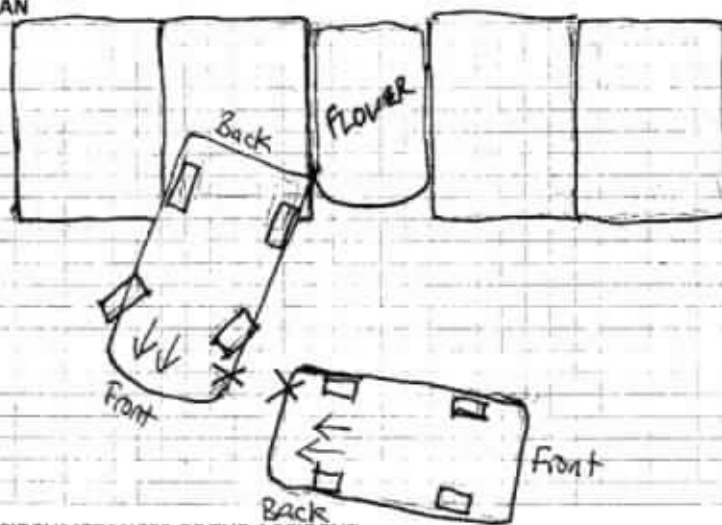

After the accident, Mr Mohamed was seen busy talking with someone on the phone. I inspected my damage van and took some pictures. After he hang-up he told me, to claim his insurance. He handed me his Driving Licence and Singapore Armed Forces Identity Card for picture record.

When I ask Mr Mohamed why the need to reverse so fast, he said he was angry for not allowed to park at the visitor lot and also, he "needs to rush for delivery that's why". Mr Mohamed apologies a few times and told me if anything just updates him.
